

Gently nestled on the slopes of the Apennines, Umbria region contains a unique and fascinating.

A place rich in character, in which the absolute symbiosis of art and nature gives the landscape an essence of mysticism and ascetic beauty, permeating it a timeless charm: it is the area Eugubino-Gualdese.

A trip to the north east of Umbria, through the centers of Valfabbrica, Gualdo Tadino, Moat Vico, Seal, Costacciaro, Splinter and Pascelupo, Gubbio.

Contemplation, art, nature, sports ... all this in a context of environmental and natural recognized as one of the most fascinating of central Italy.
